SANCTUMSHIELD · PARTNER PROGRAM

Offer AI governance *your clients can prove.*

Two products, one partner code. AI governance records and role-based AI training for every client you serve.

WHAT YOU OFFER

SanctumShield

AI governance records

- AI Acceptable Use Policy
- Executive Risk Report
- Board Memo
- AI Posture Summary

Plus an AI Governance Coach by voice or text

SanctumShield Academy

Role-based AI literacy

- Board & CEO
- CISO / Security Leader
- CTO / CIO / IT
- Legal / Compliance
- Employee Essentials

A dated Record of Completion for each person who passes

WAYS TO PARTNER

Referral

Introduce clients with your partner code

Reseller / VAR

Bundle with your services

Distributor

Reach partners in your region

Training partner

Add AI tracks to your courses

HOW IT WORKS

Partner code → **Client signs up** → **Automatic attribution** → **Revenue share**

A share of subscription revenue on both products, for a set term per account. Terms agreed with each partner.

What partners get

- Your own partner page
- Demo accounts on both products
- Attribution from the first sign-up

What clients get

- Dated AI records checkable by link
- No answers or documents stored
- Training recorded by role and date
